

# You might notice some differences in what your GP prescribes for you

We recently consulted with you, our patients, about some of the things we prescribe. As a result of the feedback we received we are making some changes.

**From December 2016 we will:**

**Restrict the prescribing of medicines available to buy over the counter for minor ailments and short-term, self-limiting conditions.**

**Limit the prescribing of gluten-free foods to bread, flour and bread mixes only.**

**Restrict the prescribing of baby milks and infant formulae.**

**Restrict the prescribing of oral nutritional supplements (Sip feeds).**

For more information please ask at reception for a leaflet or visit the NHS Choices website [www.nhs.uk](http://www.nhs.uk) for more information on self-care.
