

**REQUEST FOR INFERTILITY TREATMENT**  
**In Vitro Fertilisation(IVF)/Intracytoplasmic Sperm Injection (ICSI)**

**EFFECTIVE FROM 1<sup>ST</sup> April 2014 – ALL NEW GP REFERRALS**

The establishment of the following access criteria should be undertaken by the couples GP. Please refer to your local CCG policy for details of eligibility criteria for assisted conception treatments including Intrauterine Insemination (IUI), Donor Insemination (DI), Ovulation Induction (OI).

Patient Name	Date of Birth:
	NHS Number:
	BMI:
Patient Name	Date of Birth:
	NHS Number:
Address:	
Post Code	
GP:	Practice:
Time	Cause if known:
Length of sub-fertility (Should be > 2 years)	(Neither partner should be sterilised)

Eligibility Criteria		Yes/No
Women's Age	Is under 40 years Couples who have self-funded will be entitled to 1 NHS cycle provided they have not received more than 2 cycles Frozen embryo transfers from a privately funded IVF cycle will not be funded by the NHS even if NHS IVF funding has been approved.	
	Between 40-42 years provided: a) They have never previously had IVF. b) There is no evidence of low ovarian reserve c) There has been a discussion about the implications of IVF at this age	
Women's BMI	More than 19 and less than 30	
Welfare of the child	The welfare of any resulting children is paramount. In order to take into account the welfare of the child, the centre should consider factors which are likely to cause serious physical psychological or medical harm, either to the child to be born or to any existing children of the family. This is a requirement of the licensing body, Human Fertilization and Embryology Authority.	
Family Structure	Neither partner has a living child from current or any previous relationship, excluding foster children. NB : A child adopted by the patient or adopted in a previous relationship is considered to have the same status as a biological child.	
Smoking	Both partners must be non-smoking in order to access any fertility treatment and must continue to be non-smoking throughout treatment
